

“Dad,
why don't
you just
let *Jacob*
help us out
with finding our calf
for next year?”

The kid's got the right idea!
When you purchase a calf
from Tusa Show Cattle, we
help you with feeding, hoof
trimming, and at the shows
all year!

Tusa Show Cattle focuses
strongly on county fair
success, and our track
record speaks for itself.
Good luck to all of our
clients at their upcoming
fairs and come see us in the
fall to check out our new set
of spring-aged cattle.
