LITTLE SURE SHOT

RAPID REWARDS X HOODOOPRINCE X MR. RIGHT/LIFELINE

TH CLEAN • PHA CARRIER

We all know the impact that Rapid Rewards has had on the slick shear industry in limited time and semen, and we truly think that we have found one incredible beast out of this impressive sire!

Little Sure Shot has all the pieces it takes to raise steers that will win in the ring. He also combines all the power that today's clubby bulls have, with a rugged functional build and ultra high quality look.

BODACIOUS X SUNDANCE/HEREFORD CROSS

This is one massive made, heavy muscled, sound structured bull. I love how his neck jacks out of the top of his shoulder. He has old school feet!! Southern boys you best breed all Americans to this one!!
