

LET US BE YOUR COACH

We have gathered cattle from across the nation and this fall we have the best set of spring born steers available for sale you'll find anywhere in Texas. We strive to win as many county fairs as possible which is evident in the quality we have available this fall.

We know that your daughter or son's goal is winning your county fair. Our cattle are priced more realistically than anyone in the business. Let your standards be as high as ours and let us coach you every step of the way!

We proudly recommend

The Johnson family let us be their coach. As a result, Brady won on both the local and state levels in 2007.
